April 29, 2016

To Congressional Representative Rosa DeLauro:

Please cosponsor the Nuclear Weapons Abolition and Economic and Energy Conversion Act (H.R. 1976).

This bill calls for US leadership in achieving an international treaty for the elimination of nuclear weapons worldwide under strict international control. It would also redirect resources used for nuclear weapons to peaceful economic purposes.

I marched in the Peace and Planet March one year in support of the UN review of the Nuclear Non-Proliferation Treaty. The US needs to move toward the elimination of nuclear weapons, as required by the treaty.

I hope you will actively support this legislation.

Sincerely,
Kimberly

**PETITION TO THE LEGISLATORS OF THE NUCLEAR WEAPONS STATES
AND TO THE AMBASSADORS TO THE UNITED NATIONS**

Please support the "Nuclear Weapons Abolition and Economic and Energy Conversion Act," HR-1976 in 2015-16
Introduced into U.S. Congress every session since 1994, by DC Congresswoman Eleanor Holmes Norton

We, human beings threatened with and burdened by nuclear weapons, HEREBY call upon the LEGISLATORS of ALL NUCLEAR POWERS to jointly codify the following commitments:

- (1) Disable and dismantle all nuclear warheads, and refrain from replacing them with any weapons of mass destruction (such as biological, chemical, or depleted uranium) at any time;
- (2) Use recent levels of nuclear weapons program resources to
 - (a) convert all nuclear weapons industry employees, processes, plants, and programs smoothly to constructive, ecologically beneficial peacetime activities, including strict control of all fissile material and radioactive waste pursuant to international agreement, and
 - (b) redirect those resources into human needs such as developing carbon-free, nuclear-free energy sources, health care, education, housing, agriculture and environmental restoration (for example, build solar panels and windmills instead of missiles and bombs);
- (3) Undertake vigorous GOOD FAITH effort to eliminate war, armed conflict, and all military operations;
- (4) Actively promote policies intended to induce all nations on earth to join in these commitments for peace on earth.

UNITED NATIONS AMBASSADORS, U.N. Plaza, New York, NY 10017, USA: PLEASE encourage ALL nuclear powers to PROMISE, "Yes, WE'LL GET RID OF ALL OUR WEAPONS OF MASS DESTRUCTION IF EVERYONE ELSE DOES." (Don't quit until the job is done!)
