Subject: Audra Cohen, thank you for meeting with us on May 2 at Representative Mark Pocan's home office

Dear Audra,

Thank you for meeting with two of your constituents and me on May 2 in the Madison office. (I've attached a photo.) I also want to thank Congressman Pocan for his legislation to stop arms sales to Saudi Arabia. I hope he will show his support for the UN Nuclear Weapons Ban Treaty negotiations taking place this month and insist the US be part of them!

I apologize that it has taken me so long to get back to you; I've been on a 5,000-mile WILPF-US Nuclear-Free-Future tour, and only now am I catching my breath. The issues we discussed, along with backup materials to explain our positions, are at <http://prop1.org/wilpf/2017/lobbying.info.links.htm>.

Foremost among them is our request that Representative Pocan co-sponsor Eleanor Holmes Norton's "Nuclear Weapons Abolition and Economic and Energy Conversion Act" when she re-introduces it. Attached is a petition, signed by Madison constituents, requesting that he do so.

Please let us know what Representative Pocan's position is?

Thanks again,

Ellen Thomas

Hello Ellen and Karen,

Thank you for meeting with me and taking the time to follow up. Ellen, I hope your travels were safe and enjoyable.

I have shared your materials from the meeting and attachment from your message with our legislative staff in Washington. It does not appear that Rep. Holmes Norton has introduced the bill this session, however we will continue to watch for it.

My colleague also mentioned (and you may already be aware!) that Rep. Pocan co-sponsored H.R. 1534 last session, the Smarter Approach to Nuclear Expenditures Act.

Thanks again,

Audra Cohen

**PETITION TO THE LEGISLATORS OF THE NUCLEAR WEAPONS STATES
AND TO THE AMBASSADORS TO THE UNITED NATIONS**

Please support the "Nuclear Weapons Abolition and Economic and Energy Conversion Act," HR-1976 in 2015-16
Introduced into U.S. Congress every session since 1994, by DC Congresswoman Eleanor Holmes Norton

We, human beings threatened with and burdened by nuclear weapons, HEREBY call upon the LEGISLATORS of
ALL NUCLEAR POWERS to jointly codify the following commitments:

- (1) Disable and dismantle all nuclear warheads, and refrain from replacing them with any weapons of mass destruction (such as biological, chemical, or depleted uranium) at any time;
- (2) Use recent levels of nuclear weapons program resources to
 - (a) convert all nuclear weapons industry employees, processes, plants, and programs smoothly to constructive, ecologically beneficial peacetime activities, including strict control of all fissile material and radioactive waste pursuant to international agreement, and
 - (b) redirect those resources into human needs such as developing carbon-free, nuclear-free energy sources, health care, education, housing, agriculture and environmental restoration (for example, build solar panels and windmills instead of missiles and bombs);
- (3) Undertake vigorous GOOD FAITH effort to eliminate war, armed conflict, and all military operations;
- (4) Actively promote policies intended to induce all nations on earth to join in these commitments for peace on earth.

UNITED NATIONS AMBASSADORS, U.N. Plaza, New York, NY 10017, USA: PLEASE encourage ALL nuclear powers to PROMISE, "Yes, WE'LL GET RID OF ALL OUR WEAPONS OF MASS DESTRUCTION IF EVERYONE ELSE DOES." (Don't quit until the job is done!)
